**Profile**

- ▶ Ian leads our UK tax desk in New York.
- ▶ Ian has worked in our International Tax Services practice for over 14 years, with experience working in the UK, Chicago and New York.

**Education & memberships**

- ▶ Ian is a member of the Institute of Chartered Accountants of England and Wales.
- ▶ He holds a BSc Hons degree from Imperial College, London.

**Relevant engagement experience**

- ▶ Ian has significant experience of advising US multinational groups on UK tax due diligence and the tax aspects of structuring mergers, acquisitions and investments into the UK.
- ▶ Ian has particular expertise on tax efficient financing, post merger integration, intellectual property and cash repatriation planning.
- ▶ Ian has supported many of his clients with negotiations with HMRC in particular on thin capitalization, anti-avoidance relating to cross border debt, and treaty related issues.
