

At Last, 35 Minute Scheduled Flights to the Hamptons

US Helicopter announces new scheduled service between Manhattan and East Hampton. Flights to East Hampton depart on Friday afternoons and return to Manhattan on Sunday evenings.

Service Commences June 29th and operates thru September 16

US Helicopter offers fast, luxurious transportation between Manhattan and East Hampton on state-of-the-art dual engine Sikorsky S76 helicopters operated by two pilots at all times. On board, you will enjoy a first class executive interior as you fly above the traffic.

SCHEDULE:

Friday Service

Depart 2:30PM - East 34th St./Midtown Heliport to East Hampton Airport

Sunday Service

Depart 7:30PM - East Hampton Airport (Main Terminal) to West 30th Street Heliport

** Flights are available for one-way travel
(We return to West 30th St. Heliport as East 34th St. Heliport is closed on weekends)*

Baggage

Due to limited baggage space on the helicopter, each passenger is allowed one checked bag in addition to one carry-on (briefcase, laptop or purse). Oversized luggage, such as golf bags, cannot be accepted unless an additional seat is purchased.

Pricing

The one-way price per seat is \$799, including taxes. Flights can be booked online at www.flyush.com or by calling 877-262-7676. Additional information, including schedules and reservations, is available at www.flyush.com.

US Helicopter is the only US Government approved scheduled helicopter airline.
